**REMARKS/ARGUMENTS**

On pages 2 and 3 of the Office action, the Examiner required provisional election of a single disclosed species under 35 U.S.C. 121 and identification of the claims that read thereupon for examination in the event that generic Claim 1 is not found to be allowable. Applicants hereby elect species XVI ("headache"). Claims 1-5, 8, and 14-16 read upon elected species XVI ("headache").

Applicants reserve the right to pursue the subject matter of the non-elected species in one or more continuing applications in the event that generic Claim 1 is not found to be allowable.

In view of the above, applicants respectfully request that a timely Notice of Allowance be issued in this case.

Respectfully Submitted,
